9 SECTION 2. That Section 42-1736A, Idaho Code, be, and the same is hereby

STATEMENT OF PURPOSE

RS 11594

The purpose of this legislation is to provide legislative ratification of the amendments to Policy 32 of the State Water Plan adopted by the Idaho Water Resource Board in response to the Snake River Water Rights Agreement. The Idaho Constitution requires presentment of water plan amendments to the Legislature before such amendments can take effect. Although non-action by the Legislature results in Water Plan amendments taking effect if presented on the first day of the session, this legislation provides affirmative ratification because these amendments were adopted after the session was in progress.

FISCAL NOTE
