Total Number of Rights Subject to Curtailment	667		667		667	

¹ Examples include rights that meet the domestic exemption limits of Idaho Code 42-111, rights found to be participating in an approved mitigation plan, or instances in which no well was found to exist at that point of diversion

² Examples include instances in which the ground water user has curtailed their use but the Watermaster has not physically locked the well, or the well is not being used at all, or the user has limited their use to fit within the domestic exemption limits of Idaho Code 42-111.
