¹ The Idaho Department of Water Resources has initiated formal enforcement action against ground water users compliant with the curtailment order, but were found to be diverting water in excess of their authorized limits or acres. These enforcement actions are not included on this table.

² Idaho Code § 42-1701B authorizes the Idaho Department of Water Resources to commence administrative enforcement actions to remedy designated violations. These enforcement actions can include demands to cease and desist and assess civil penalties. See the Compliance and Enforcement FAQ's at the following link:
