¹ Examples include rights that meet the domestic exemption limits of Idaho Code 42-111, rights found to be participating in an approved mitigation plan, or instances in which no well was found to exist at that point of diversion

² Examples include instances in which the ground water user has curtailed their use but the Watermaster has not physically locked the well, or the well is not being used at all, or the user has limited their use to fit within the domestic exemption limits of Idaho Code 42-111.

³ Eight active Notices of Violation have been issued to water right holders within this group.
