

# Weather Forecast & Seasonal Outlook

Weather Forecast Office

Boise, ID

Thursday, May 12, 2022

Presenter : Troy Lindquist

- Warming trend heading into the weekend (80 degrees in lower valleys of southern Idaho Sunday), then gradual cooling next week
- Chance of rain and mountain showers through the middle of next week, mainly across central and northern Idaho
- 8-14 day outlook strongly favors below normal temperatures, and leans toward above normal precipitation for northern and eastern Idaho
- Summer outlook favors above normal temperatures and below normal precipitation
